- fully insured
- references upon request

“.... simplifying *your life*”

*A family owned business, HMT Cleaning & Staging operates in midcoast Maine and serves the Camden, Rockport and Rockland area. Over the years I have developed a strong customer base, where mutual understanding, respect and trust, combined with superior services have allowed me to retain loyal customers for many years.*

*With my certification in commercial staging and decorating, our staging and remodeling services have grown. Not everyone can say they enjoy what they do, but I can and it shows in the pristine work that we do.*

HMT Cleaning & Staging is associated with
